

100ah agm battery for sale

100ah agm battery for sale

Manufactured with thick absorbent glass mat (AGM) separators and advanced valve regulated technology, Renogy Deep Cycle AGM Batteries save you from acid leakage and frequent maintenance, No acid leakage, no water refilling, and no harmful hydrogen gas.

Proprietary quinary alloy plates and exclusively treated plate grids enable low internal resistance and high discharge currents of up to 10 times the battery rated capacity, This means that Renogy AGM batteries can power home appliances with high current ratings.

Made of high purity materials, Renogy Deep Cycle AGM Batteries reduce the monthly self-discharge rate below 3% at 77° (25°), which is 5 times lower than their flooded counterparts, No need to recharge the battery frequently when not in use.

Featuring 1100A (5 seconds) max discharge current and consistent, stable discharge, the battery can power up most home appliances, such as a fridge, microwave, CPAP, coffee maker, laptop, and more.
