

12v car charger port

12v car charger port

Qidoe is a professional car charger manufacturer, a well-known brand in the auto parts industry, dedicated to meeting the needs of the majority of car users. We provide users with high-quality products through the pursuit of technology and strict quality control.

This Qidoe Dual QC3.0 Car Sockets with a total power of up to 36W. It can charge two compatible devices simultaneously at 4 times the speed, also features touch-sensitive button switch for power control, which can prevent power outflow, save energy, and extend the life of the product and equipment.

This product made of high-quality nylon material, which can endure extremes of both high and low temperatures. It also has anti-flame properties, ensuring your safety.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"...Since the power source is constant, the power switch on this outlet is great. It's touch sensitive and it stays off until you want to use it...." Read more
