

290 kWh battery solar

290 kWh battery solar

All-in-One Power Hub: Jackery Explorer 290 power station with the touch of a button, is capable of powering small devices, including phones, drones, laptops, lights, TVs, and CPAP machines.

Reliable Power Endurance: The intelligent Battery Management System (BMS) and pure sine wave inverter ensure stable power delivery to small appliances and even after 800 charge cycles, the power station retains 80% of its battery capacity.

Strong and Reliable: The high-quality built-in MPPT charge controller and pure sine wave inverter protect the power station against short circuits, overcharge, overvoltages and more.

2+1 (Extended) Warranty: Jackery offers a 2-year warranty and 1-year extended warranty to Explorer 290 (Extended warranty: automatically activated upon product registration on our official website).
