40 kWh energy storage battery

The item you are trying to purchase is currently out of stock. Please enter your name, email, and phone number below. We will contact you as soon as this product is available.

The battery system comes in many different sizes and configurations options. When you purchase your battery system, we will reach out to schedule your dedicated session with our technical experts, who will make sure your system is fit to your specific needs. This ensures personalized service and scheduling at your convenience. Our team of energy experts are ready to help you tackle any solar, battery, and backup configuration you can imagine.

IMPORTANT: Emporia will not ship your order until we've spoken to you and ensured that the battery solution will operate effectively for your selected application. We do not accept returns. Additional Shipping Charges may apply. Therefore all orders can be adjusted anytime prior to fulfillment without penalty. We're excited to work with you.

Once you purchase your battery system, we'll reach out to schedule a free virtual consultation with an Emporia Energy Expert who will analyze your energy usage and recommend the best battery system configuration for your home and budget. Our battery is modular and completely customizable - no need to install anything but the perfectly sized system.
