400 watt flexible solar panel

FREE Delivery is available to Prime members. To join, select "Try Amazon Prime and start saving today with FREE Delivery" below the Add to Cart button and confirm your Prime free trial.

Important: Your credit card will NOT be charged when you start your free trial or if you cancel during the trial period. If you're happy with Amazon Prime, do nothing. At the end of the free trial, your membership will automatically upgrade to a monthly membership.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"...The integrated kickstand has worked very well for me, and this is a bonus: I don't have to use a rigid panel or construct some wacky stand out of PVC..." Read more

"...power sources fuel dependencies or technical issues, the solar panel kept performing, reducing our carbon footprint and providing a sense of..." Read more

"...Easy to connect! The panels feel strong and durable, alot heavier than I thought it'd be. The one downside for me would be the the case/stand set up...." Read more

"The Ecoflow 220 W folding panels are rugged, heavy, and a bit cumbersome but on a very cool, windy and bright sunny day, actually put out 232 W,..." Read more

"...So happy with them. Upgraded to 5 starsThe carrying case is very durable material and the zippers look good quality (time will tell)...." Read more

"...appears to be similar to EcoFlow in every way except that it doesn't have a kickstand, but comes out at a cost of \$1.63 per watt if it only..." Read more

"...basic charging is good, and the case plus size make these quite versatile for car camping, beach trips, or even just a day trip where you need to..." Read more

"...(or the company's more rigid Boulder panels), quite a large amount of electricity could be produced to quickly charge a battery power station with,..." Read more

"...I'm happy with the price to performance ratio, basic charging is good, and the case plus size make these quite versatile for car camping, beach trips..." Read more
