

48v 100ah lifepo4 battery pack

48v 100ah lifepo4 battery pack

EG4 Lithium Iron Phosphate battery 51.2V (48V battery) 5.12kWh with 100A internal BMS. Composed of (16) UL recognized prismatic 3.2V cells in series which have been tested at 7,000 deep discharge cycles to 80% DoD – fully charge and discharge this battery daily for over 15 years without issue. Reliable and rigorously tested, with a 99% operating efficiency.

10+ years dedicated in green power solutions, we keep pushing ourselves to be excellent, a professional LiFePO4 battery provider, promise you with superior quality, fast delivery and lifetime technical service, to accompany you to a better life.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"...The app was easy to install and works great for me, I love it! The battery weighs about 63 lbs., so my golf cart is about 300 lbs. lighter...." Read more

"...I have now installed the battery and it is quite a nice upgrade. The power delivery is something to behold. The app works perfectly...." Read more

"...For the amount of power you can get from this battery. It's way cheaper and produces way more power than one of those electric generators...." Read more
