

Allpowers foldable solar panel

Allpowers foldable solar panel

Foldable solar panels are not only small in size and light in weight, but can also be folded up for easy carrying in suitcases or backpacks. Foldable solar panels are not only suitable for outdoor adventure enthusiasts, but are also suitable for regular outdoor activities, backup power, emergency rescue and other scenarios. . For example, in outdoor activities such as self-driving tours, camping, and wild hunting, foldable solar panels can charge various electronic devices, such as mobile phones, cameras, tablets, and be used for lighting.

FREE Delivery is available to Prime members. To join, select "Try Amazon Prime and start saving today with FREE Delivery" below the Add to Cart button and confirm your Prime free trial.

Important: Your credit card will NOT be charged when you start your free trial or if you cancel during the trial period. If you're happy with Amazon Prime, do nothing. At the end of the free trial, your membership will automatically upgrade to a monthly membership.

This item has been tested to certify it can ship safely in its original box or bag to avoid unnecessary packaging. Since 2015, we have reduced the weight of outbound packaging per shipment by 41% on average, that's over 2 million tons of packaging material.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"Awesome solar power panel very easy to hook up it works great on my power stations so I will not be without power if my power station go died great..." Read more

"...The panels fold up nicely and are easily portable. They're not too heavy (or bulky), but that does make the panels slightly thinner than I would..." Read more

"...Add a handle, less weight, thin compact the All Power is easy to move around.. However folded out the ALL POWER IS BIG... The KICK Stand is nice...." Read more

"...Overall, I like this portable solar panel, it's just a simple portable folding solar panel and it works, I'll likely buy one more in the future to..." Read more

"... without power if my power station go died great price and well worth the money if you lookin for a nice quality solar panel this is a must have" Read more

"...ALL POWER comes with a good variety of useful accessories and the design is good, quality is very

Allpowers foldable solar panel

good for price. I got it for \$239...." Read more

"...Makes storing both pretty nice. These panels have the same pathetic stands. Weak and wobbly. I wouldn't trust it on a windy day...." Read more
