Centrex company

Centrex consultants know and understand what you and your business are trying to accomplish to be successful in the finance industry. You focus on your business and we can focus on your technology.

Hiring a dedicated software admin employee can be expensive while at the same time requiring them to learn a large new software platform. Centrex offers a monthly retainer program where we serve as your dedicated admin staff member.

Centrex Software CRM will boost your team's productivity, increase efficiency, provide more transparency, and generate more revenue. Manage your entire end-to-end business in one central platform.

Whether you are a funder, broker, or any business owner in need of a better way to track and manage your pipeline, Centrex Software CRM is built for you. You'll have access to state-of-the-art technology to keep you at the cutting edge of your industry.

Centrex Software is one of the best platforms out there in the sector that I push all my clients to. Being a consultant in the sector I wanted to make sure I was recommending platforms that really perform. Centrex Software and their team does just that.
