

Chins 200ah plus lithium battery

Chins 200ah plus lithium battery

Our Smart lifepo4 battery 12V 300AH has built-in 200A BMS (Battery Management System) to protect it from overcharge, over-discharge, over-current, short circuit, high temperature cut off and low temperature cut off.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"...Much better than the AGM's they replaced - charge lasts longer, lighter weight and capacity is more deterministic - I always felt the AGM's SOC was..." Read more

"...at a very competitive price point, including a robust BMS, built-in bluetooth, app-based SOC monitoring, and a self-heating function for cold-..." Read more

"...able to put the batteries on the charger in the garage and remotely monitor the progress and other nerdy stats about the battery cells...." Read more

"...This battery had all the features I wanted at a very competitive price point, including a robust BMS, built-in bluetooth, app-based SOC monitoring,..." Read more
