Cost savings praia

Cost savings praia

Why living in Praia costs 4.2 times more than the average salary? Because we have a developed country lifestyle as a reference and in some least developed countries maintaining such a standard of living is hard and expensive. Thus, living costs in Praia for locals and expats differ significantly.

Livingcost is a crowdsourced database with a cost of living calculator for prices comparison in 9294 cities in 197 countries all over the world. The cost of living calculated as a consumer basket for a moderate lifestyle in developed countries and thus might seem too high for some least developed countries where maintaining such a standard of living is expensive.
