To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"Light weight and holds a charge. That's what it's for.No it's not battle born but it does the same thing for 1/3 - 1/4 the price." Read more

"...livers more watt hours then advertised and has a competitive cost to budget batteries that aren't nearly as good as the Eco-Worthy battery." Read more

"I am happy with the price, I have a small off grid solar array with 4 of these batteries. 2 of the batteries came in above 100 AH, showing new cells...." Read more

"...These batteries are great for the money compared to other brands, and I've read about issues with these in the review, and with my own personal..." Read more

"...extended weekend trips thus far and all seems well - noticeable increase in capacity, was able to use the same Group 24 battery box, and am charging..." Read more

"...The battery is excellent for powering the pumps. It empties a 275 gallon tote many more times than the 100 AH AGM battery that it replaced...." Read more

"...They were very willing to work with me to resolve the issue. It wouldn't fully charge even though I tried 2 different lithium battery chargers..." Read more
