

Heavy duty industrial warehouse shelving

Heavy duty industrial warehouse shelving

PrimeZone has focused on storage shelves research and development for decades, including garage, pantry, closet, kitchen, warehouse, basement, living room, office, and outdoor storage shelves. At PrimeZone, you will always find affordable and innovative storage solutions, as well as design inspiration and unique home ideas!

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

Do you have some miscellaneous items cluttering up your workspace or warehouse floor? We know every inch of space is valuable. Industrial warehouse shelving units can really transform your space. The right kind of industrial shelving systems can help you maximize space and increase organization.

One of the best features about heavy-duty industrial shelving is the versatility. Some shelving units can be combined to make large, industrial shelving units. These are also a great solution for that odd unused space. We also have shelves with a variety of openings. Some have closed backs, while others can be accessed from all four sides. We can help you determine which shelf is right for you.

Industrial warehouse racks are shelving made from heavier gauge materials and designed to provide storage for heavier weight materials and packages. It often can accommodate weights of 750 lbs. or more. Warehouse industrial shelving can be static or mobile (on casters).

All of our industrial shelving units are durable and built to last. We carry shelves that can hold everything from record boxes to tires. Industrial shelves are a high-quality, low-cost solution. We also sell shelving accessories so you can customize your shelving unit for your exact needs.

We offer a wide range of industrial warehouse shelving including archive shelving, automotive shelving, boltless shelving, bulk shelving, closed shelving, commercial shelving, metal shelving, mobile shelving, modular shelving, open shelving, parts shelving, record shelving, steel shelving, wide span shelving & wire shelving.

Shuntong, a wholly owned subsidiary of the US-based Kangyan Group, previously manufactured for Gorilla Rack. Now operating in California, Shuntong has a fully established US office to meet all your needs.

Superior quality, scale, and innovation. Unique among factories, we have a strong R& D function to innovate with our customers. We hold numerous patents and are constantly developing new products and solutions.

Heavy duty industrial warehouse shelving

2000 series shelving comes with either Angle Posts or Beaded Posts. We make the post uprights from roll formed form 14-gauge steel. Heavy-duty shelves are made from 20-gauge steel. Our standard 2000 series box shelves can hold up 850 lbs. depending on the size and shelf spacing. 2000 series shelving uses the Lyon compression clip which is the most imitated clip design in the industry.
