Compare our lithium battery kits, available in configurations of 1, 2, 3, and 4 units, to find your ideal power solution. Explore their range of amp hours (Ah) and kilowatt hours (kWh) to make an informed decision.

The HUSKY sets the standard for reliability and adaptability that you can confidently expect from a BatteryEVO battery. Our advanced BMS comes with Over/Under Voltage Protection, Over current Protection, and a Thermal Management System, ensuring safe charging and discharging across various temperatures.

With an impressive 5.3 kWh capacity, the HUSKY can replace your entire battery bank in your RV or camper van while keeping ample backup power. This leads to significant savings in weight, space, and costs, no matter what it's used for. In the world of golf carts, the HUSKY brings longer lifespans, higher top speeds, and ranges of over 60 miles, all without needing maintenance. If you're looking for a reliable plug-and-play solution for your golf cart or RV, your search ends with the 48V HUSKY.

Our standard shipping process ensures swift order fulfillment, with packages typically dispatched within 24 to 48 hours. Your estimated delivery times are as follows:

If you wish to update or change your shipping address, kindly email us your revised shipping details, and we will be more than happy to make the necessary changes in our system to ensure a seamless experience for your future transactions.

Once your order is shipped, an email containing your tracking number and a convenient link to monitor your package's journey will be promptly sent to you. Keeping you informed every step of the way is our commitment to exceptional service.

We take pride in our dedicated customer service team, poised and ready to address your inquiries between 8:00 AM and 5:00 PM PST. Your satisfaction is our mission, and we're here to assist you during our business hours.

While our advanced shipping system is designed to detect any incorrect addresses, we understand that changes may arise. Feel free to reach out to us via email or phone to provide us with any updates or corrections to your address. Your convenience is our priority, and we're here to assist you promptly.

We proudly ship to USA Mainland addresses. Due to the hazmat nature of our batteries, we are currently unable to facilitate international shipping. However, for our international customers, we do offer the flexibility for buyers to arrange their own shipping to their desired destination country. Your convenience and satisfaction remain at the forefront of our service.
