

Jackery 1000 plus solar generator

Jackery 1000 plus solar generator

Jackery, founded in California in 2012 with a vision to offer green energy to everyone and everywhere, is a pioneer of the solar generator industry and a global top-selling brand - recognized by over 3 million users and 200 authorized media & organizations worldwide.

By introducing its solar generators to the great outdoors, Jackery fulfills the power needs of every nature-lover, inspiring them to explore further for more sustainable experiences.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"...rst off, this thing is sturdy and compact, fitting perfectly in my home office (see pic). When the power goes out, it's a lifesaver...." Read more

"...Works incredibly well as a battery backup, for all household devices under 2000W. Not recommended for a standing portable AC of 8000 BTU or higher..." Read more

"...So far I really like the new Jackery plus series, the expansion batteries, and the remote app access, making these batteries very versatile for many..." Read more

"...Utilized it everyday to charge phones, portable chargers, fans, lights etc. Started at 100% and after 5 days of use only brought it down to 83%...." Read more

"...is one of the best features with the Plus series, makes it very easy to keep an eye on the battery system, and make changes remotely...." Read more

"...When the power goes out, it's a lifesaver. I can keep working like nothing happened, which is pretty awesome. The best part for me? The USB C ports...." Read more

"...I feel it is worth the money and an excellent design. Comes with an easy to understand user manual. Has a comfortable 'easy carry' handle." Read more

"...arge controller, lighter long lasting battery, wiring, inverter, ac charger, plus multiple outputs and inputs... its def worth the money...." Read more

"...So far I love it. Charges up super fast and the mobile app is a big plus. Now im thinking on getting the solar panels. Delivery was super fast...." Read more
