

Lifepo4 3 2v battery

Lifepo4 3 2v battery

Battery Finds offers a range of LiFePO₄ prismatic cells of various capacities, sizes, and specifications. LiFePO₄ (Lithium Iron Phosphate, LFP) cells are a version of a lithium-ion battery with a cell voltage of 3.2V. LiFePO₄ cells are known for longevity (about 2,000 charge and discharge cycles) and are suitable for applications where long service life is required, such as in electric vehicle, electric bikes, scooters, boats, submarines, golf carts, communications, energy storage, Intelligent network, UPS systems, etc.

We stand behind our Grade A claims and know you will be more than satisfied with the product you receive. We offer a 30 Day no hassle, MONEYBACK GUARANTEE if you are unsatisfied with your cells for ANY reason. You will be responsible for the return shipping fees unless product is determined to be faulty.

We offer a 1 year warranty on all EVE LiFePO₄ battery products. We offer technical support and troubleshooting throughout the duration of the warranty. We can offer greater than a 1 year warranty on the cells but you will need to contact us with your design specs for approval. Large orders of 1,000pcs+ minimum.

If it is determined that our product is obviously faulty, we will ship new product to you immediately. We will cover the cost of return shipping. This does not apply to items that have been damaged due to gross negligence, normal wear & tear, improper installation or abuse.

Our warranty does not cover items that have been damaged due to gross negligence, improper installation or abuse. If you are unsure, you should contact us before installing the product.

Every delivery's carbon footprint is calculated based on weight, shipping method, and distance traveled. We neutralize these emissions by purchasing verified carbon removal credits from groundbreaking projects.

With your purchase, you'll join a community of proactive merchants and customers dedicated to a sustainable future. Together, we've removed emissions for over 42 million deliveries and removed over 29 thousand tonnes of carbon.

Total solution for Portable Power since 1995. Products are designed, assembled & Quality Controlled in USA. All products are shipped from California. Call us at 510-525-2328
