At Macire, we are proud to deliver and install these cutting-edge lithium batteries all over Kenya, ensuring you get the most out of your solar solutions. ??

? MPN: LPBF48200-P? Usable Capacity: 10.0kWh? Voltage: 48V? Rated Voltage: 51.2V? Charge Voltage: 57.7V? Discharge Voltage Range: 48-57.6V? MAX. Charge & Discharge Current: 120A? Rated Charge & Discharge Current: 80A? MAX. Output Power: 7000W? Rated Output Power: 6000W? DOD (Depth of Discharge): 0-95%? Modules Connection: 1-6 in parallel? Communication: CAN & RS485? Ingress Protection: IP21? Working Temperature Range: 14°F-122°F? Net Weight: 227lb

Macire Limited offers top-quality solutions for businesses and homes, including generators, solar systems, cleaning equipment, water pumps, and irrigation. Choose us for reliable products and expert service.

Introducing the Deye 5.12 kWh Lithium Ion Battery, a high-performance energy storage solution designed to meet your power needs for various applications, including solar energy systems, backup power, and electric vehicles. With its advanced technology and robust features, this battery is perfect for both residential and commercial use.

Invest in the Deye 5.12 kWh Lithium Ion Battery for a reliable and efficient energy storage solution that meets all your power requirements. With its advanced features, long cycle life, and robust safety mechanisms, this battery is designed to enhance your energy independence while maximizing savings on electricity costs. Experience the future of energy storage with Deye!
