Wadi Noor Solar Power Company(WNSPC) is the culmination of a shared vision between two passionate investors who are committed to Oman sustainable transformation and the global journey towards net-zero emissions. Founded by EDF Renewables Middle East and Korea Western Power Co Ltd (KOWEPO), Wadi Noor Solar Power Company embodies their joint dedication to advancing solar innovation, driving economic growth, and fostering environmental stewardship.

At Wadi Noor Solar Power Company (WNSPC) our mission is to support Oman sustainable transformation by harnessing solar energy to achieve net-zero emissions. We are dedicated to advancing solar technology, fostering local talent, and collaborating with communities to create a greener and more prosperous nation.

The time it takes to repair a roof depends on the extent of the damage. For minor repairs, it might take an hour or two. For significant repairs, A or team might be at your home for half a day.

Wadi Noor Solar Power Company(WNSPC) is the culmination of a shared vision between two passionate investors who are committed to Oman sustainable transformation and the global journey towards net-zero emissions.

We are passionate about contributing to a world, which does not depend on power from fossil fuels. Our aim is to accelerate the adoption of solar technology across the world to conserve our environmental friendly, sustainable and conflict-free power supply.

At Oman Solar, we have latest technology by which we can use NATURAL RESOURCES and convert the NATURAL energy into POWER (ELECTRICAL ENERGY). The solar photovoltaic energy is a most viable solution for reliable and remote application in the region because of the availability of the sun for almost 365 days in the year. Our motto is to electrify each and every home, office, works and industries by the GREEN ENERGY and thereby contribute to NATURE.

Solar Wadi is one of the first independent Omani power company that invests in, builds, owns and operates Renewable Energy power plants. Established by a group of pension funds, Omani Investors and international Solar Developers. Majority held by Omani Shareholders.

Renewable energy is the most abundant and available energy source on Earth. Solar Wadi is dedicated to harvesting that energy in an environmentally responsible way, as part of a global transition from fossil fuels.

SOLAR WADI will provide the needed funds required for the development, plus all O& M costs over the full operation term of the Solar plant. With ZERO investment required from the end-user's side.
