Portable power bank with solar charger

FREE Delivery is available to Prime members. To join, select "Try Amazon Prime and start saving today with FREE Delivery" below the Add to Cart button and confirm your Prime free trial.

Important: Your credit card will NOT be charged when you start your free trial or if you cancel during the trial period. If you're happy with Amazon Prime, do nothing. At the end of the free trial, your membership will automatically upgrade to a monthly membership.

The solutions we develop aim to provide you with a stable and green way of charging. With continuous innovation and application of latest technology and solid materials, we manufacture solar products to the highest standards in the market.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"amazing compact solar charged battery. wish i would have ordered a few more before moving to a state; they don't ship to...." Read more

"Product is easy to use, green light will let you know the product is solar charging, although it does take awhile to charge it does work, keeping in..." Read more

"... never seemed to charge fully and half the time I would plug something in it and it wouldn't work. I thought I had a dud, it work 50% of the time...." Read more
