

Powerball uk official site

Powerball uk official site

The Powerball results history on this page shows you all the winning numbers for the last six months. You can also see how the jackpot has grown and when it has been won. Select a draw date for more information, including a prize breakdown.

Powerball draws are held every Monday, Wednesday and Saturday and you can view all the winning numbers from history. For results from previous years, choose from the available options.

See the latest UK Powerball results straight after every draw. The winning numbers for the most recent draw are shown below as soon as they are available, with previous results further down the page. You need to match all the numbers to win the jackpot, but you'll win a prize even if you just match the Powerball.

In total there are six different prize tiers in the UK Powerball. All prizes require you to match at least the Powerball number, starting with the Match 0 + Powerball prize of a free entry into the next draw, all the way up to the Match 6 + Powerball prize of £4,200,000!

The jackpot prize is shared - this means that if more than one person matches the entire winning combination in a particular draw, it will be split equally between the winners. All non-jackpot prizes are fixed amounts, which means you will win the full amount regardless of how many other winners there are. Take a look at all the prizes available and the odds of winning in each tier below.

Congratulations on winning a prize! Claiming is fast and easy - you should be able to see your prize reflected in your online account. From there, you can withdraw it using your preferred banking method, or use it to fund future purchases.

After requesting a withdrawal, it can take up to 72 hours for the funds to appear in your account. If you have not received your funds after this time, you can contact the Customer Support team at Jackpot .

The UK Powerball takes place every Wednesday and Saturday at 9:59pm (GMT) using an Insured Random Number Generator (iRNG). This is a draw method used by many lottery operators around the world and ensures a completely random selection of numbers.

If you opt to create a subscription, it will renew every 4 weeks automatically. You can cancel your subscription at any time by contacting the Customer Support team.

View all the latest National Lottery results live after every draw. The winning numbers for Lotto, EuroMillions, Thunderball and more are added to this page as soon as they have been drawn and verified, giving you a fast way to find out if you have a winning ticket e the buttons underneath each set of numbers to
