

Redodo 24v lifepo4 battery

Redodo 24v lifepo4 battery

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"...Very happy with performance and less weight in boat.The DC feed motor controller went out on my planer yesterday. Had to get it done...." Read more

"...Some of the reasons why I made this decision.The replacement cost is the same but instead of having to replace the batteries every 3-4 years..." Read more

"...buy their batteries because the quality is excellent and their prices are competitive.I purchased their 12v 100 amps and their 24v 200 amps...." Read more

Made with Grade A cells, the Redodo 25.6V 200Ah battery offers a reliable and long-lasting power source. These premium cells provide a 10-year service life and over 4,000 charge cycles.

Equipped with 5 built-in protection functions: Overcharge Protection, Overcurrent Protection, Over-discharge Protection, Short Circuit Protection, and Built-in High-Temperature Cutoff.

Supports expansion of up to 4 batteries in parallel and 2 parallel sets in series, allowing for a maximum 40.96kWh solar home or off-grid system. This high capacity enables you to power large loads or multiple devices simultaneously, providing reliable energy for your home and system.
