Everything you need to harness the power of the wind -- including the Shine Turbine and our top-selling accessories. Generate power anytime, anywhere, and safely transport your turbine with our custom roll up dry bag. Measure the wind speed with our Shine anemometer, and ensure optimal setup with our mount level that attaches to Shine's mount. Also includes a 10ft USB-A to USB-C cable to charge your devices while operating and a 100W power bank to store extra wind power.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

The ability to harnesses the power of the wind makes this a go-to backup power source to keep essential devices running during outages or on camping, hiking or over landing trips. Keep devices charged up even overnight while the sun is down but the wind is blowing.
