For web orders, please contact our customer service team(1-888-626-7576) to ensure your return or exchange is documented and any potential questions have been answered. In most cases, a return authorization will be provided, and, in every case, we'll begin to keep an eye out for your return.

For web orders returned in-store, please take the item in original packaging, along with the invoice to any Camping World retail locations for a refund or exchange. Shipping charges are non-refundable. Refunds for web orders issued in-store are able to be refunded to a GIFT CARD or MAILED CHECK ONLY; some exclusions may apply.

For retail purchases returned with a receipt, please return the unused and unopened item, with the original sales receipt, for a full refund or exchange. All returns with a gift receipt will receive a store credit for the amount of the item at the time of purchase.

For retail purchases returned without a receipt, the refund will be issued as a store merchandise credit at the lowest price within the last 90 days. Proper ID will be required in the form of a valid, state-issued driver's license or state ID card. We reserve the right to limit or refuse returns without a receipt.

Good Sam Members who have maintained a continuous active membership status may return any unused and unopened product, purchased on Feb. 9, 2018, or later at any time. Good Sam Club members must be active on the date of product purchase. (Some exclusions apply.)

For Good Sam Protection Plans, simply return any Good Sam Protection Plan purchase to the store for processing or give us a call at (1-888-626-7576). Purchases paid for with a personal check are subject to a 14-day hold period prior to being eligible for return.

Ve direct bluetooth smart dongle

Using the VE.Direct to Bluetooth Smart dongle you can display your BMV or MPPT information on iOS and Android devices, using the VictronConnect app. This allows you to view information wirelessly such as battery status and solar panel power, plus other useful data. This dongle is able to read data from all Victron products with a VE.Direct port.

Using the VE.Direct to Bluetooth Smart dongle you can display your BMV or MPPT information on iOS and Android devices, using the VictronConnect App. View information wirelessly such as battery status and solar panel power, plus other useful data.

The dongle is able to read data from all products with a VE.Direct port, such as the BMV-70x series battery monitors, Phoenix Inverters with VE.Direct port, MPPT Solar Charge Controllers.

This also includes Instant Readout: when the VE.Direct Smart Dongle is connected to a BlueSolar MPPT, BMV-70x or a Phoenix Inverter VE.Direct, VictronConnect will display the most important data of these products on the Device list page without requiring a paired connection. This includes visual notifications of warnings, alarms, and errors, enabling diagnostics at-a-glance.
