

Youtube enjoybot lithium

Youtube enjoybot lithium

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"...I have not had to charge it after several trips. Overall much lighter and easier to install, only uses half the space in my battery compartment...." Read more

"...yet but its been awhile since I've charged it and it still going... Lighter, more space in my cart for a cooler or an amp for an added small stereo..." Read more

"...No more constant charging, heavy weight, corrosion, and worry. My cart is much more peppy and achieves about 2mph more with this new battery...." Read more

"The battery came well packed and was easy to install. It works great in my 36Volt golf cart. The battery management system app is good!..." Read more

"...Noticeable increase in overall speed and responsiveness when hitting the pedal - she zips. I have not had to charge it after several trips...." Read more

"...My cart is soooooo much lighter & faster now. Charges easy and quick! Highly recommend anyone who is looking to upgrade to purchase one of these...." Read more
