

Zambia solar energy companies

Zambia solar energy companies

The solar sector in Zambia hosts a variety of solar companies, operating in several business segments. These businesses vary from Solar Home Systems to utility scale developers. There are also international companies active in Zambia, mainly in the utility scale sector. Most offices of the companies in Zambia are located in Lusaka.

An overview of solar companies active in Zambia is depicted below, including the location of their head offices. The division of the companies is based on the type of solar system application, although most companies have a variety of systems available. On our types of systems page, an overview and explanation is available on the the different characteristics and components of solar systems to help you decide what fits best with your needs.

Note: We tried our best to list all important companies active in the solar sector in Zambia. Is your company missing or do you know a company that should be on this list? Let us know!

SmartSolar Zambia offers personalized assistance in finding smart solar solutions. Our goal is to provide the right knowledge and tools to choose the best solution.

Suntech Appropriate Technology is a Zambian company officially registered with the Patents and Companies Registration Office since 1993. Suntech is also registered with and licensed by the Energy Regulation Board.

Solar energy can be implemented in a wide variety of day to day activities for usage in homes, businesses, hospitals etc. Solar systems can be used for indoor and outdoor lights, computers, TVs/decoders, fridges and freezer, electric fences and many more electrical appliances. In addition Suntech provides solar street lights, solar geysers, solar water pumps, solar fridges etc.

With over 25 years of experience our team of qualified experts design tailor made solar-, power back up- and hybrid systems for every customer. We provide after sales services and repairs as well as installations country wide. All our equipment is sourced from well-known manufacturers who offer decent guarantees.

Suntech is an official supplier for: Victron Energy Equipment (solar panels, inverters, inverter/chargers, solar charge regulators, AGM deep cycle batteries etc.), Lithium Batteries (48V models), Enertec solar batteries, Steca charge regulators, Phocos charge regulators, Steca solar refrigerators, National Luna DC refrigerators, Laskaris solar geysers, Sollatek power protection equipment, and more.

"It is with great pleasure to welcome you, on behalf of the Board of Directors, Management and Members of Staff of SmartEnergy Limited and introduce you to our company"s services."
